OUR RED WINES

	Glass	Bottle
Beronia Crianza (D.O. Rioja, Spain) – 2006 <i>100% Tempranillo. Ruby red with bluish tones. Clean and brilliant. Medium-to-high intensity. A vanilla aroma over wild fruits, raspberry, blackberry and a touch of cherry, with hints of toasted bread and green spices. The entry is fruity and transmits just the correct balance of wood. Well structured, with high-roast, spice and liquorice flavours remaining.</i>	\$8.25	\$32.00
Dehesa Gago Reserva (D.O. Toro, Spain) – 2006 <i>100% Tempranillo. Fresh, lively, blackberry, cherry, smoke, and earth aromas jump from the glass of this dark ruby/purple-hued, rich, medium-bodied, supple-textured, luscious wine.</i>	\$8.00	\$31.00
Andeluna Reserva (Malbec, Mendoza-Argentina) – 2007 <i>Great color intensity with purplish tones, medium bodied and balanced. It exhibits aroma of intense fig and ripe red fruits, with flavors of fig and plum and notes of vanilla and chocolate that complement soft, elegant tannins.</i>	\$6.00	\$23.00
Castillo Monserán Reserva (D.O. Cariñena, Spain) – 2007 <i>Garnacha. The nose is strawberries and raspberries, with some spice notes thrown in. The palate is very fruit forward with lots of raspberry and strawberry, and a little plum. Not too deep. Light tannins and a medium finish.</i>	\$5.50	\$21.00
Sangría El Bodegon (homemade – Victor's recipe)	Glass \$5.00	Pitcher \$18.00

OUR WHITE WINES

	Glass	Bottle
Basa Reserva (D.O. Toro, Spain) – 2007 <i>Fresh apple and pear, fennel bulb, a touch of white melon and nuts. The texture gives it a rich, middle weight feel in the mouth, but is kept in balance by a hit of acid toward the finish. On the palate it's fairly much a mirror of the nose with some added minerals.</i>	\$7.00	\$27.00
Santa Alicia Reserva (Chardonnay, Chile) – 2008 <i>This Chardonnay Reserve is complex with subtle smoky-oak aromas, a well balanced varietal character and a creamy and buttery texture. This is a fine wine, concentrated and well structured.</i>	\$5.50	\$20.00
